

Personnel - All EmployeesDrug and Substance Use and Abuse

It is the policy of the Springfield Platteview Community Schools to eliminate the influence of drugs, alcohol and other chemicals within the school environment and to educate students against the usage of drugs, alcohol and illegal substances. The District will implement regulations and practices which will insure compliance with laws relating to drugs and alcohol, including: the Drug-Free Workplace Act and the Omnibus Transportation Employee Testing Act of 1991, and all regulations and rules promulgated pursuant thereto.

**Section 1 Drug-Free Workplace**

The District has established the school as a drug-free workplace. The drug-free workplace for this purpose includes school grounds, school utilized vehicles, and places in which school activities are held. The school district recognizes that the use, possession, or being under the influence of illicit drugs or alcohol constitutes a hazard to the positive development of students and employees and a substantial interference with school purposes.

1. The unlawful manufacture, distribution, disposition, possession, or use of a controlled substance is prohibited in the work place. Employees are also prohibited from possessing, using or distributing illicit drugs or alcohol, or being under the influence of illicit drugs or alcohol, on any district property or district sponsored event. Any level of impairment from illicit drugs, alcohol, or inhalants, and the presence of any odor of illicit drugs (such as marijuana) or alcohol in the work place or on duty time shall be a violation of the drug-free workplace.
2. The possession or distribution of a look-alike drug or look-alike controlled substance is prohibited. In addition, employees are expected to serve as role models for students and will be considered to have violated the District's expectations in the event the employee commits a criminal drug or alcohol offense off the work place or off duty time.
3. As a condition of employment, employees will abide by the District's drug-free workplace policies and notify the Superintendent or designee of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction.
4. Disciplinary sanctions, up to and including termination of employment and referral for prosecution, will be imposed upon employees who violate the aforementioned standards of conduct. Sanctions for violation thereof may include the requirement that the employee complete an appropriate rehabilitation program, reprimands, and non-renewal, cancellation, or termination of contract of employment.
5. Employees shall be advised through employee publications about drug and alcohol counseling and rehabilitation and reentry programs that are available.
6. Employees shall be furnished with a copy of this policy.

This policy supplements and is in addition to all other policies, regulations, practices, procedures

and contractual provisions regarding or related to the improper or unlawful possession, use, or distribution of illicit drugs and alcohol.

**Section 2 Alcohol and Drug Testing**

The District will implement regulations and practices which will insure compliance with the Omnibus Transportation Employee Testing Act of 1991, and all regulations and rules promulgated pursuant thereto. Employees in "safety-sensitive" positions, as defined by the Act and regulations promulgated thereunder, including employees whose position requires a commercial driver's license (CDL), shall be tested for alcohol and controlled substances as required by law. Refusal to submit to such pre-employment testing, or testing positive, shall disqualify an applicant from employment. Reasonable suspicion, random, post-accident, return-to-duty, and follow-up testing shall also be conducted. Employees who test positive shall be immediately removed from safety-sensitive positions and shall be removed from employment.
