

PERSONNEL**Use of Tobacco**

In order to create a healthy environment and be in compliance with all federal regulations to insure continued ability to receive federal funds, it is the Board of Education's policy that there will be no use of tobacco in the buildings of South Sarpy District 46. This policy pertains to students, staff, patrons, and visitors. Staff members who choose to use tobacco should do so in a manner by which students are not exposed to passive smoke or observant of the practice by role models. The administrative team is charged with enforcing this policy and in necessary cases, discipline the offenders.
