If your child has any conditions, such as diabetes, asthma, allergies (food, insects, etc) or medication needs during school hours there are additional forms that need to be filled out for these conditions. These forms are found on the District Website, springfieldplatteview.org, click on the health services tab. If you have any questions or concerns, feel free to contact me at 402-339-3606 ext 151. I am glad to help.
